

Collection Tech Small Ruminant

OBJECTIVE:

Reproduction Enterprises, Inc. (REI) is a growing reproduction service center located in Stillwater, OK. REI began in 1978 as a Certified Semen Services (CSS) semen collection center and AETA certified facility for bovine. However, REI has expanded over the years to include whitetail deer, equine, small ruminants and canine along with other small animals. Our goal is to provide advanced reproduction technologies and the highest quality customer service to the animal industry. To assist in this endeavor REI is seeking and collection technician with small ruminant experience to join our team as we expand our services.
